## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### Overview:

Company is operating in the manufacturing of Specialty Chemicals and development of property / land.

### Opportunities:

Our customers for the specialty polymers are in investment casting Industry. The major end user segment for investment cast products is automotive, aerospace industry, valves & instruments. Export market is growing fast particularly for one of our newly developed grades of Cross Linked Polystyrene.

The second specialty product is used as filler in cement for structural repair of columns & beam in the old buildings. The demand for this product is stable.

### Threats:

The basic raw material for the majority of our products is Styrene Monomer & Di-vinyl Benzene. The styrene price is highly volatile. Availability of Di-vinyl benzene is worrisome as China is the major supplier.

We have direct threat from two competitors for Cross Linked Polystyrene in India.

### Risks & concerns:

Due to price fluctuation in the main raw material i.e. styrene monomer and no corresponding increase in the price of our finished products the margin on our finished products in the domestic market as well as exports is a major area of concern.

### Outlook:

Substantial part of Company's sales consists of Exports. Our product has been accepted by all major overseas Filled wax manufacturers. Currently the export market is growing, but the competition from two other exporters' forces us to lower our price, thereby realization.

## CERTIFICATE ON CORPORATE GOVERNANCE

To  
The Members  
**POLYCHEM LIMITED**  
7 Jamshedji Tata Road,  
Churchgate Reclamation,  
Mumbai- 400020

We have examined the compliance of the conditions of Corporate Governance by **POLYCHEM LIMITED** ('theCompany') for the financial year ended March 31, 2025, as stipulated in Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "the SEBI Listing Regulations").

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination, as carried out in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Company Secretaries of India (the "ICSI"), was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and Paragraphs C and D of Schedule V to the SEBI Listing Regulations for the year ended March 31, 2025.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF POLYCHEM LIMITED

### Report on Audit of the Standalone Financial Statements

#### Opinion

We have audited the accompanying standalone financial statements of **Polychem Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and statement of Cash Flow for the year then ended and notes to the standalone financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit, total comprehensive income, its changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by ICAI. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

#### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Annual report but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other

irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, based on our audit we report that:
  - i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - ii. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - iii. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - iv. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with relevant rules issued thereunder and relevant provisions of the Act;
  - v. On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act;
  - vi. The observation relating to the maintenance of accounts and other matters connected therewith, are as stated in paragraph (ii) above;
  - vii. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to standalone financial statements;
  - viii. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;
  - ix. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

## ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

**Referred to in paragraph 2(vii) under "Report on Other Legal and Regulatory Requirements" of our report on even date to the members of the Company on standalone financial statements for the year ended March 31, 2025**

We have audited the internal financial controls with reference to financial statements of the Company as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('Guidance Note') issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibility for Internal Financial Controls**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

### **Meaning of Internal Financial Controls with reference to Standalone Financial Statements**

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

**Inherent Limitations of Internal Financial Controls with reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2025 based on the internal controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note.

## MATERIAL ACCOUNTING POLICIES AND NOTES ON ACCOUNTS ON STANDALONE FINANCIAL STATEMENTS

### Background

Polychem Limited is engaged in the manufacturing of specialty chemicals and property development. The Company has manufacturing plant in India and sells it in Domestic as well as International market. The Company is Public Limited Company domiciled in India and is listed on the Bombay Stock Exchange (BSE).

### 1.00 Material Accounting Policies

This note provides a list of the material accounting policies adopted in the presentation of these standalone financial statements.

### 1.01 BASIS OF PREPARATION

#### Compliance with Ind AS :

The standalone financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act"), and relevant rules issued there under. In accordance with proviso to the Rule 4A of the Companies (Accounts) Rules, 2014, the terms used in these financial statements are in accordance with the definitions and other requirements specified in the applicable Accounting standards.

#### Authorization of standalone financial statements

The standalone financial statements were approved for issue by Board Of Directors on May 14, 2025.

#### Historical cost convention:

The financial statements have been prepared on a historical cost basis, except for the following items, which are measured on an alternative basis on each reporting date:

- certain financial assets and liabilities are measured at fair value; and
- defined benefit plans – fair value of plan assets less the present value of the defined benefit obligations.

### 1.02 FUNCTIONAL AND PRESENTATION CURRENCY

These standalone financial statements are presented in India Rupees (INR), which is also the company's functional currency. All amounts disclosed in the standalone financial statements and notes have been rounded off to the nearest Lakhs, except where otherwise indicated.

### 1.03 CURRENT VERSUS NON-CURRENT CLASSIFICATION

All assets and liabilities have been classified as current or non-current as per Company's normal operating cycle. Based on the nature of operations, the Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

### 1.04 MEASUREMENT OF FAIR VALUES

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

### 1.05 USE OF JUDGEMENTS, ESTIMATES & ASSUMPTIONS

While preparing standalone financial statements in conformity with Ind AS, the management makes certain estimates and

assumptions that require subjective and complex judgments. These judgments affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses, disclosure of contingent liabilities at the statement of financial position date and the reported amount of income and expenses for the reporting period. Financial reporting results rely on our estimate of the effect of certain matters that are inherently uncertain. Future events rarely develop exactly as forecast and the best estimates require adjustments, as actual results may differ from these estimates under different assumptions or conditions. The management continually evaluate these estimates and assumptions based on the most recently available information.

Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the standalone financial statements are as below:

**Key sources of estimation uncertainty**

- i) Financial instruments; (Refer note 4.07)
- ii) Useful lives of property, plant and equipment and intangible assets; (Refer note 1.07)
- iii) Valuation of inventories; (Refer note 1.11)
- iv) Measurement of defined benefit obligations, key actuarial assumptions; (Refer note 4.03)
- v) Evaluation of recoverability of deferred tax assets; (Refer note 2.06) and
- vi) Contingencies. (Refer note 4.02)

**1.06 FOREIGN CURRENCY TRANSACTIONS**

**Functional and presentation currency**

The Company's standalone financial statements are prepared in INR, which is also the Company's functional and presentation currency.

**Transactions and balances**

**Monetary items**

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in Statement of Profit and Loss.

**Non – Monetary items**

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

**1.07 PROPERTY, PLANT AND EQUIPMENT**

**Recognition and Measurement**

Property, Plant and Equipment (including capital work-in-progress) is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price, non-refundable taxes, any costs directly attributable to bringing the asset into the location and conditions necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, finance cost. The purchase price is the aggregate amount paid and the fair value of any other consideration given to acquire the asset.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

The residual values and useful lives of Property, Plant and Equipment are reviewed at each financial year end, and changes, if any, are accounted prospectively.

**Depreciation on Property, plant and equipment**

Depreciation on Property, Plant & Equipment is provided on written down value method. In accordance with requirements prescribed under Schedule II of Companies Act, 2013, the Company has assessed the estimated useful lives of its Property, Plant & Equipment and has adopted the useful lives and residual value as prescribed in Schedule II.

In case of additions/deletions during the year, the depreciation is computed from the month in which such assets are put to use and upto the previous month of sale or disposal as the case may be. In case of impairment, depreciation is provided on the revised carrying amount over its remaining useful life.

All assets costing up to Rs. 5,000 (in ₹) are fully depreciated in the year of capitalization.

**Derecognition of Property, Plant and Equipment**

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on derecognition of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss.

**1.08 INTANGIBLE ASSETS****Recognition and measurement**

Intangible assets with finite useful lives that are acquired are recognised only if they are separately identifiable and the Company expects to receive future economic benefits arising out of them. Such assets are stated at cost less accumulated amortization and impairment losses. Intangible Assets with indefinite useful lives that are acquired separately are carried at cost less accumulated amortisation and impairment losses.

**Amortisation of intangible assets**

Intangible assets with finite useful lives are amortised on a straight line basis over their useful economic lives and assessed for impairment whenever there is indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each year end. The amortisation expense on Intangible assets with finite lives and impairment loss is recognised in the Statement of Profit and Loss.

**Derecognition of intangible assets**

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in statement of profit and loss when the asset is derecognised.

**1.09 IMPAIRMENT OF ASSETS (Other than Financial Assets)**

Carrying amount of tangible assets, intangible assets and investments in subsidiary (which is carried at cost) is tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Company's assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

**1.10 LEASES****As a Lessee**

The Company, as a lessee, recognizes a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified

asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

#### **Short-term leases and leases of low-value assets**

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term ending within 12 months and the Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

### **1.11 INVENTORIES**

#### **Inventories are valued as follows:**

Raw materials, packing materials, work-in-process and finished goods are valued at cost or net realizable value, whichever is lower. Cost of raw materials and packing materials is determined on FIFO basis. Cost of work-in-process and finished goods is determined on the basis of absorption costing method.

#### **Property under development**

Property under development represents free hold land converted into stock-in-trade on the basis of valuation made by approved valuer and development expenses incurred thereon.

### **1.12 CASH AND CASH EQUIVALENTS**

Cash and cash equivalents in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

For the purpose of statement of cash flows, cash and cash equivalents consist of cash, short-term deposits as defined above, bank overdrafts and short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value as they are considered as an integral part of the Company's management. Bank overdrafts are shown within borrowings under current liabilities in the balance sheet.

### **1.13 INVESTMENT IN SUBSIDIARY**

A subsidiary is an entity that is controlled by another entity. An investor controls an investee if and only if the investor has the following; (i) Power over the investee, (ii) exposure, or rights, to variable returns from its involvement with the investee and (iii) the ability to use its power over the investee to affect the amount of the investor's returns.

The Company's investments in its subsidiary is accounted at cost and reviewed for impairment at each reporting date.

### **1.14 FINANCIAL INSTRUMENTS**

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments.

#### **Initial Recognition and Measurement – Financial Assets and Financial Liabilities**

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.

However, trade receivables that do not contain a significant financing component are measured at transaction price.

#### **Classification and Subsequent Measurement: Financial Assets**

The Company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

**Amortized Cost:**

A financial asset is classified and measured at amortized cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**FVTOCI:**

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses and interest revenue which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

**FVTPL:**

A financial asset is classified and measured at FVTPL unless it is measured at amortized cost or at FVTOCI.

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

**Impairment of Financial Assets :**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Expected Credit Losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date);or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward-looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

**Classification and Subsequent measurement: Financial Liabilities**

The Company's financial liabilities include trade payables and other financial liabilities.

**Financial Liabilities at FVTPL:**

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or losses on financial liabilities held for trading are recognized in the Statement of Profit and Loss.

**Other Financial Liabilities:**

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

**Derecognition of Financial Assets and Financial Liabilities:**

The Company de-recognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. Financial liability is also derecognised, when its terms are modified and the cash flows of the modified liability substantially different, in which case a new financial liability based on modified terms is recognised at fair value.

**Write-off:**

The gross carrying amount of a financial asset is written off when there are no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. The Company individually makes an assessment with respect to the timing and amount of write-off based on whether there is a reasonable expectation of recovery. The Company expects no significant recovery from the amount written off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

**Offsetting Financial Instruments:**

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

**1.15 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS****Provision**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a current pre-tax rate. The increase in the provision due to the passage of time is recognised as interest expense.

**Contingent Liability**

Contingent liability is a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the consolidated financial statements.

**Contingent Asset**

Contingent asset is not recognised in standalone financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognized. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

**1.16 REVENUE RECOGNITION**

The Company derives revenue primarily from manufacture of Polymers & Co-Polymers business comprising of Styrene, Divinyl Benzene, Acrylic Acid and Acrylates.

Revenue is recognised upon transfer of control of promised products or services to customers at the amount of transaction price (net of variable consideration) that reflects the consideration the Company expects to receive in exchange for those products or services. Revenue is measured based on the fair value of consideration specified in the contract with customer and excludes amounts collected on behalf of third parties.

Goods and Service Tax (GST) collected on behalf of the government is excluded from Revenue, as it is not an economic benefit to the Company.

**Other Operating Revenue**

Other Operating Income consists of revenue generated from export incentives, duty drawbacks, and realized exchange gains. This income is recognized when performance obligations, as specified are fulfilled, and there is no significant uncertainty regarding the amount of consideration to be received

**1.17 RECOGNITION OF INTEREST AND DIVIDEND INCOME****Interest**

Interest income is recognized using the effective interest rate method.

**Dividend**

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

**1.18 TAXES ON INCOME****Current Tax**

Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments/appeals.

Current income tax relating to items recognized directly in equity is recognized in equity and not in the Statement of Profit and Loss.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**Deferred tax**

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized outside the Statement of Profit and Loss. Deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company have a legally enforceable right to set-off assets against liabilities.

**1.19 EMPLOYEE BENEFITS****Short-term obligations**

Short-term employee benefits are measured on an undiscounted basis and expensed as the related service is provided. A

liability is recognised for the amount expected to be paid under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

**Post-employment obligations**

The Company operates the following post-employment schemes:

- defined benefit plans such as gratuity; and
- defined contribution plans such as provident fund.

**Defined Benefit Plans**

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in Statement of Profit and Loss as past service cost.

**Defined contribution plans**

The Company makes specified monthly contributions towards government administered provident fund scheme. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments are available.

**Other long-term employee benefit obligations**

The liabilities for leave are not expected to be settled wholly within twelve months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in Statement of Profit and Loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

**1.20 EARNINGS PER SHARE (EPS)****Basic earnings per share**

Basic earnings per share is calculated by dividing the profit (or loss) attributable to the owners of the Company by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

**Diluted earnings per share**

Diluted earnings per share is computed by dividing the profit (considered in determination of basic earnings per share) after considering the effect of interest and other financing costs or income (net of attributable taxes) associated with dilutive potential equity shares by the weighted average number of equity shares considered for deriving basic earnings per share adjusted for the weighted average number of equity shares that would have been issued upon conversion of all dilutive potential equity shares.

**1.21 RECENT ACCOUNTING PRONOUNCEMENTS**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. As at March 31, 2025, MCA has not notified any new standards or amendments to the existing standards which are applicable to the Company.

## NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

(Rs. in Lakhs unless otherwise stated)

ii)	The Company has taken certain premises on sub-lease. The landlord, a Government Company issued a notice under the Public Premises (Eviction of Unauthorized Occupants) Act, 1971 against the Company for eviction and has demanded damages and other charges, which are disputed by the Company. The proceedings in this connection are pending before the Estate officer. The Contingent liability in respect of damages, interest claimed by the Insurance Company cannot be quantified.		

## 4.03 Employee benefits

1) **Defined Contribution Plans:**

The amounts of contribution to provident fund and ESIC recognized as expenses during the year is Rs. 25.06 Lakhs (March 31, 2024 : Rs.21.13 Lakhs) for the year ended March 31, 2025.

2) **Defined Benefit Plans:**

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees, as governed by the Payment of Gratuity Act, 1972 (Gratuity Act). The gratuity plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount equivalent to 15 days salary for each completed year of service. Vesting occurs upon completion of Five (5) continuous years of service as governed by the Gratuity Act. The Present value of the defined benefit obligations and related current service cost were measured using the Projected Unit Credit Method, with actuarial valuation being carried out at each Balance Sheet date.

The Gratuity Plan is administered by "Polychem Limited Employees Group Gratuity Scheme" & "Life Insurance Corporation of India" that is legally separated from the Company.

The company expects to pay Rs. 40,28,120/- in contributions to defined benefit plans in financial year 2025-26.

**Investment Risk** The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to government bond yields. If the return on plan asset is below this rate, it will create a plan deficit. Currently the plan has investment with LIC of India.

**NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**

(Rs. in Lakhs unless otherwise stated)

Interest Risk	A decrease in the interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.
Longevity Risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary Risk	The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

**4.06 Capital Management**
**Risk management**

The Company's primary objectives in managing capital are to safeguard its ability to continue as a going concern while maximising shareholder value through an optimal capital structure. Capital is actively monitored and comprises total equity, including share capital, reserves and non-controlling interests. The Company maintains a conservative capital structure with minimal debt exposure, currently limited only to lease liabilities under Ind AS 116.

For the purpose of the Company's capital management, capital includes capital and all other equity reserves. In order to maintain or achieve a capital structure that maximizes the shareholder value, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans. As at March 31, 2025, the Company has only one class of equity shares and has no borrowings other than lease liabilities. Hence, there are no externally imposed capital requirements.

The table below presents the key components of the Company's capital structure:

Component	As at March 31,	
	2025	2024
Total Equity	3,397.18	3,188.49
Lease Liabilities	104.28	121.98
Net Debt/Equity Ratio	0.03	0.04

The Company maintains a strong equity base with a negligible debt component, reflected in the low net debt-to-equity ratio of 0.03 as at March 31, 2025 (as at March 31, 2024: 0.04).

**Dividend Distribution:**

The Company's dividend policy balances shareholder returns with the need to retain earnings for business growth. The following dividends were declared during the reporting periods:

Particulars	As at March 31,	
	2025	2024
Dividends Paid	121.21	80.81
Proposed Dividend*	80.81	121.21

\*Pending shareholder approval at the forthcoming Annual General Meeting.

The Board has recommended a dividend of Rs. 20 per share (200% of face value of Rs. 10/- each) for FY 2024-25 (2023-24: Rs. 30 per share or 300% of face value of Rs. 10/- each). Dividend declarations consider factors including profitability, retained earnings, liquidity position and future capital requirements.

The Company's capital management approach ensures compliance with statutory requirements while maintaining sufficient resources to support ongoing operations and strategic initiatives. Regular reviews are conducted to assess the adequacy and efficiency of the capital structure in light of changing business needs and market conditions.

**4.07 Financial Instruments****i) Methods & assumptions used to estimate the fair values**

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- The carrying amounts of receivables and payables which are short term in nature such as trade receivables, other bank balances, deposits, loans to employees, trade payables, other financial liabilities and cash and cash equivalents are considered to be the same as their fair values.
- The fair values for long term security deposits given and remaining non current financial assets were calculated based on cash flows discounted using a current rate at 9%. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs.
- For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

**ii) Categories of financial instruments**

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: directly or indirectly observable market inputs, other than Level 1 inputs; and

Level 3: inputs which are not based on observable market data

## 4.08 Financial Risk Management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Board of Directors. The details of different types of risk and management policy to address these risks are listed below:

The Company's activities are exposed to various risks viz. Credit risk, Liquidity risk and Market risk. In order to minimize any adverse effects on the financial performance of the Company, it uses various instruments and follows policies set up by the Board of Directors / Management.

## i) Credit Risk

Credit risk arises from the possibility that counter party will cause financial loss to the Company by failing to discharge its obligation as agreed.

Credit risks from balances with banks are managed in accordance with the Company policy. For derivative and financial instruments, the Company attempts to limit the credit risk by only dealing with reputable banks having high credit-ratings assigned by credit-rating agencies.

Based on the industry practices and business environment in which the Company operates, management considers that the trade receivables are in default if the payment are more than 12 months past due.

Table showing age of gross trade receivables and movement in expected credit loss allowance:

## ii) Liquidity Risk

Liquidity risk is risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company's principal sources of liquidity are cash and cash equivalents, borrowings and the cash flow that is generated from operations. The Company has consistently generated sufficient cash flows from its operations and believes that these cash flows along with its current cash and cash equivalents and funding arrangements are sufficient to meet its financial obligations as and when they fall due. Accordingly, liquidity risk is perceived to be low.

iii) **Market Risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company is exposed in the ordinary course of business to risks related to changes in foreign currency exchange rate and interest rate.

**Market Risk – Foreign Exchange**

Foreign currency risk is that risk in which the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company operates internationally and a portion of its business is transacted in several currencies and therefore the Company is exposed to foreign exchange risk through its overseas sales in various foreign currencies. The Company hedges the receivables by forming view after discussion with Forex Consultant and as per policies set by Management.

The carrying amount of the Company's foreign currency denominated monetary assets and liabilities as at the end of the reporting period is as follows:

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF POLYCHEM LIMITED

### Report on the audit of the Consolidated Financial Statements

#### Opinion

We have audited the accompanying consolidated financial statements of **Polychem Limited** (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") comprising of the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and a summary of material accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on standalone financial statements and on the other financial information of the subsidiary, the aforesaid consolidated financial statements, give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2025, its consolidated profit, their consolidated total comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India (ICAI), together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and Code of Ethics issued by ICAI. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters section below is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on standalone financial statements and on the other financial information of the subsidiary, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

#### Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in Annual Report but does not include the consolidated financial statement, standalone financial statement and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated statement of changes in equity and consolidated cash flows of the Group, in accordance with Ind AS and other accounting principles generally accepted in India. The respective Governing Bodies of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless respective Board of Directors and management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

**Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the standalone financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entity included in the consolidated financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in "Other Matters" paragraph below.

We believe that the audit evidence obtained by us along with the consideration of the audit report of the other auditors referred to in "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entity included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matters**

We did not audit the audited standalone financial statements of subsidiary, whose standalone financial statements reflect total assets of ₹ 2,255.49 lakhs as at March 31, 2025, total revenue of ₹ 1,864.17 lakhs, total net profit after tax of ₹ 214.48 lakhs, total comprehensive income ₹ 201.65 lakhs and cash outflows (net) ₹ (11.89) lakhs for the year ended March 31, 2025, as considered in the statement. This financial statements and other financial information have been audited by other auditor whose report have been furnished to us by the Management of the Company and our opinion on the consolidated financial statements, to the extent they have been derived from such financial statements is based solely on the report of such other auditor.

## ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

**Referred to in paragraph 1(vii) under "Report on Other Legal and Regulatory Requirements" of our Independent Auditor's Report on even date to the members of Polychem Limited ("the Holding Company) on the consolidated financial statements for the year ended March 31, 2025:**

In conjunction with our audit of the consolidated financial statements of the Holding Company as of and for the year ended March 31, 2025, we have audited the internal financial controls with reference to financial statements of **Polychem Limited (hereinafter referred to as 'the Holding Company')** and its subsidiary, which are companies incorporated in India, as of that date.

### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Holding company, its subsidiary, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Holding Company, considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated financial statement of the Holding Company, its subsidiary, which are companies incorporated in India, based on our audit. We conducted our audit

in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated financial statements included obtaining an understanding of internal financial controls with reference to Consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in the "Other Matters" paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial control system with reference to financial statements.

#### **Meaning of Internal Financial Controls with reference to Consolidated Financial Statements**

A company's internal financial controls with reference to Consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements**

Because of the inherent limitations of internal financial controls with reference to Consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Holding Company, its subsidiary, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to Consolidated financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025 based on the internal controls with reference to Consolidated financial statements criteria established by the Holding Company, considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

#### **Other Matters**

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated financial statements, in so far as it relates standalone financial statements of subsidiary, which are company incorporated in India, is based on the corresponding report of the auditor of such company incorporated in India.

## MATERIAL ACCOUNTING POLICIES AND NOTES ON CONSOLIDATED FINANCIAL STATEMENTS

These material accounting policies and notes to accounts form part of the Consolidated financial statements for the year ended March 31, 2025. The Consolidated financial statements comprises of Polychem Limited (the “Company”) and its subsidiary (Gujarat Poly Electronics Limited (collectively the “Group”).

### Background

Polychem Limited (“the Company”) is engaged in the manufacturing of specialty chemicals and property development. The Company has manufacturing plant in India and sells it in Domestic as well as International market. The Company is Public Limited Company domiciled in India and is listed on the Bombay Stock Exchange (BSE).

### 1.00 MATERIAL ACCOUNTING POLICIES

This note provides a list of the material accounting policies adopted in the presentation of these consolidated financial statements.

#### 1.01 BASIS OF PREPARATION

##### (i) Compliance with Ind AS

The consolidated financial statements comply in all material aspects with Indian Accounting Standards (“Ind AS”) notified under Section 133 of the Companies Act, 2013 (“the Act”), and relevant rules issued there under. In accordance with proviso to the Rule 4A of the Companies (Accounts) Rules, 2014, the terms used in these financial statements are in accordance with the definitions and other requirements specified in the applicable Accounting Standards.

##### Authorization of Consolidated financial statements

The consolidated financial statements were approved for issue by Board Of Directors on May 14, 2025.

##### (ii) Historical cost convention

The consolidated financial statements have been prepared on a historical cost basis, except for the following items, which are measured on an alternative basis on each reporting date:

- certain financial assets and liabilities are measured at fair value; and
- defined benefit plans – fair value of plan assets less the present value of the defined benefit obligations.

#### 1.02 FUNCTIONAL AND PRESENTATION CURRENCY

These consolidated financial statements are presented in India Rupees (INR), which is also the company’s functional currency. All amounts disclosed in the Consolidated financial statements and notes have been rounded off to the nearest Lakhs, except where otherwise indicated.

#### 1.03 CURRENT VERSUS NON-CURRENT CLASSIFICATION

All assets and liabilities have been classified as current or non-current as per Company’s normal operating cycle. Based on the nature of operations, the Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

#### 1.04 MEASUREMENT OF FAIR VALUES

A number of the Company’s accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

#### **1.05 USE OF JUDGEMENTS, ESTIMATES & ASSUMPTIONS**

While preparing consolidated financial statements in conformity with Ind AS, the management makes certain estimates and assumptions that require subjective and complex judgments. These judgments affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses, disclosure of contingent liabilities at the statement of financial position date and the reported amount of income and expenses for the reporting period. Financial reporting results rely on our estimate of the effect of certain matters that are inherently uncertain. Future events rarely develop exactly as forecast and the best estimates require adjustments, as actual results may differ from these estimates under different assumptions or conditions. The management continually evaluate these estimates and assumptions based on the most recently available information.

Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the consolidated financial statements are as below:

##### **Key sources of estimation uncertainty**

- a) Financial instruments; (Refer note 4.07)
- b) Useful lives of property, plant and equipment and intangible assets; (Refer note 1.07)
- c) Valuation of inventories; (Refer note 1.11)
- d) Measurement of defined benefit obligations, key actuarial assumptions; (Refer note 4.03)
- e) Evaluation of recoverability of deferred tax assets; (Refer note 2.06) and
- f) Contingencies. (Refer note 4.02)

##### **Critical accounting judgments**

The Company has equity stake in its subsidiary for strategic reasons concerning its operation. The relationship with this entity have been determined based on principles laid down in Ind AS 110 – Consolidated Financial Statements.

#### **1.06 FOREIGN CURRENCY TRANSACTIONS**

##### **(i) Functional and presentation currency**

The group's consolidated financial statements are prepared in INR, which is also the group's functional and presentation currency.

##### **(ii) Transactions and balances**

###### **Monetary items**

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in Statement of Profit and Loss.

###### **Non – Monetary items**

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

**1.07 PROPERTY, PLANT AND EQUIPMENT****Recognition and Measurement**

Property, Plant and Equipment (including capital work-in-progress) is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price, non-refundable taxes, any costs directly attributable to bringing the asset into the location and conditions necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, finance cost. The purchase price is the aggregate amount paid and the fair value of any other consideration given to acquire the asset.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

The residual values and useful lives of Property, Plant and Equipment are reviewed at each financial year end, and changes, if any, are accounted prospectively.

**Depreciation on Property, plant and equipment**

Depreciation on Property, Plant & Equipment is provided on written down value method. In accordance with requirements prescribed under Schedule II of Companies Act, 2013, the Company has assessed the estimated useful lives of its Property, Plant & Equipment and has adopted the useful lives and residual value as prescribed in Schedule II.

All assets costing up to Rs. 5,000 (in ₹) are fully depreciated in the year of capitalization.

The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

In case of additions or deletions during the year, depreciation is computed from the month in which such assets are put to use and up to previous month of sale, disposal or held for sale as the case may be. In case of impairment, depreciation is provided on the revised carrying amount over its remaining useful life.

**Derecognition of Property, Plant and Equipment**

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on derecognition of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss.

**1.08 INTANGIBLE ASSETS****Recognition and Measurement**

Intangible assets with finite useful lives that are acquired are recognised only if they are separately identifiable and the Company expects to receive future economic benefits arising out of them. Such assets are stated at cost less accumulated amortization and impairment losses. Intangible Assets with indefinite useful lives that are acquired separately are carried at cost less accumulated amortisation and impairment losses.

**Amortisation of intangible assets**

Intangible assets with finite useful lives are amortised on a straight line basis over their useful economic lives and assessed for impairment whenever there is indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each year end. The amortisation expense on Intangible assets with finite lives and impairment loss is recognised in the Statement of Profit and Loss

**Derecognition of intangible assets**

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in statement of profit and loss when the asset is derecognised.

**1.09 IMPAIRMENT OF ASSETS (Other than Financial Assets)**

Carrying amount of tangible assets, intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group's assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

**1.10 LEASES****As a Lessee**

The Group, as a lessee, recognizes a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Group has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Group measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Group uses incremental borrowing rate.

**Short-term leases and leases of low-value assets**

The Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term ending within 12 months and the Group recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

**1.11 INVENTORIES****Inventories are valued as follows:**

Raw materials, packing materials, work-in-process and finished goods are valued at cost or net realizable value, whichever is lower. Cost of raw materials and packing materials is determined on FIFO basis. Cost of work-in-process and finished goods is determined on the basis of absorption costing method.

**Property under development**

Property under development represents free hold land converted into stock-in-trade on the basis of valuation made by approved valuer and development expenses incurred thereon.

**1.12 CASH AND CASH EQUIVALENTS**

Cash and cash equivalents in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

For the purpose of statement of cash flows, cash and cash equivalents consist of cash, short-term deposits as defined above, bank overdrafts and short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value as they are considered as an integral part of the Company's management. Bank overdrafts are shown within borrowings under current liabilities in the balance sheet.

### 1.13 **PRINCIPLES OF CONSOLIDATION**

#### **Subsidiary**

Subsidiary is an entity over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary is fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

The Group combines the financial statements of the parent and its subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Intergroup transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

Non-controlling interests in the results and equity of subsidiary are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively. Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the noncontrolling interests even if this results in the noncontrolling interests having a deficit balance.

### 1.14 **FINANCIAL INSTRUMENTS**

Financial assets and financial liabilities are recognised when a group becomes a party to the contractual provisions of the instruments.

#### **Initial Recognition and Measurement – Financial Assets and Financial Liabilities**

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

However, trade receivables that do not contain a significant financing component are measured at transaction price.

#### **Classification and Subsequent Measurement: Financial Assets**

The group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

#### **Amortised Cost:**

A financial asset is classified and measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**FVTOCI:**

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses and interest revenue which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

**FVTPL:**

A financial asset is classified and measured at FVTPL unless it is measured at amortised cost or at FVTOCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

**Impairment of Financial Assets**

The group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Expected Credit Losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward-looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

**Classification and Subsequent measurement: Financial Liabilities**

The group's financial liabilities include trade payables and other financial liabilities.

**Financial Liabilities at FVTPL:**

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or losses on financial liabilities held for trading are recognised in the Statement of Profit and Loss.

**Other Financial Liabilities:**

Other financial liabilities (Including borrowings, trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

**Derecognition of Financial Assets and Financial Liabilities:**

The Company de-recognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. Financial liability is also derecognised, when its terms are modified and the cash flows of the modified liability substantially different, in which case a new financial liability based on modified terms is recognised at fair value.

**Write-off:**

The gross carrying amount of a financial asset is written off when there are no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. The Company individually makes an assessment with respect to the timing and amount of write-off based on whether there is a reasonable expectation of recovery. The Company expects no significant recovery from the amount written off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

**Offsetting Financial Instruments:**

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

**1.15 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS****PROVISION**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a current pre-tax rate. The increase in the provision due to the passage of time is recognised as interest expense.

**CONTINGENT LIABILITY**

Contingent liability is a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the consolidated financial statements.

**CONTINGENT ASSET**

Contingent asset is not recognised in standalone financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognized. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

**1.16 REVENUE RECOGNITION**

The Group derives revenue primarily from manufacture of Polymers & Co-Polymers business comprising of Divinyl Benzene, Acrylic Acid and Acrylates & deals in Active and Passive electronic components, specializing in Ceramic Capacitors both Single Layer (Disc) and Multilayer (MLCC) in Radial, Axial and SMD configurations.

Revenue is recognised upon transfer of control of promised products or services to customers at the amount of transaction price (net of variable consideration) that reflects the consideration the Company expects to receive in exchange for those products or services. Revenue is measured based on the fair value of consideration specified in the contract with customer and excludes amounts collected on behalf of third parties.

Goods and Service Tax (GST) collected on behalf of the government is excluded from Revenue, as it is not an economic benefit to the Company.

**Other Operating Revenue**

Other Operating Income consists of revenue generated from export incentives, duty drawbacks, and realized exchange gains. This income is recognized when performance obligations, as specified are fulfilled, and there is no significant uncertainty regarding the amount of consideration to be received.

**1.17 RECOGNITION OF INTEREST AND DIVIDEND INCOME****Interest**

Interest income is recognized using the effective interest rate method.

**Dividend**

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.

**1.18 TAXES ON INCOME****Current Tax**

Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments/appeals.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the Statement of Profit and Loss.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**Deferred tax**

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the Statement of Profit and Loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the group have a legally enforceable right to set-off assets against liabilities.

## **1.19 EMPLOYEE BENEFITS**

### **a) Short-term obligations**

Short-term employee benefits are measured on an undiscounted basis and expensed as the related service is provided. A liability is recognised for the amount expected to be paid under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

### **b) Post-employment obligations**

The group operates the following post-employment schemes:

- defined benefit plans such as gratuity; and
- defined contribution plans such as provident fund.

#### **Defined Benefit Plans**

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in statement of profit and loss as past service cost.

#### **Defined contribution plans**

The Group makes specified monthly contributions towards government administered provident fund scheme. The group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

**c) Other long-term employee benefit obligations**

The liabilities for leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

**1.20 EARNINGS PER SHARE (EPS)****BASIC EARNINGS PER SHARE**

Basic earnings per share is calculated by dividing the profit (or loss) attributable to the owners of the Company by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

**DILUTED EARNINGS PER SHARE**

Diluted earnings per share is computed by dividing the profit (considered in determination of basic earnings per share) after considering the effect of interest and other financing costs or income (net of attributable taxes) associated with dilutive potential equity shares by the weighted average number of equity shares considered for deriving basic earnings per share adjusted for the weighted average number of equity shares that would have been issued upon conversion of all dilutive potential equity shares.

**1.21 SEGMENT REPORTING**

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the group. Further, inter-segment revenue have been accounted for based on the transaction price agreed to between segments which is primarily market based. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses, which relate to the group as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated expenses".

**Deemed cost for Property, Plant and Equipment and intangible assets**

The group has elected to continue with the carrying value of all of its Property, Plant and Equipment and intangible assets recognised as of the transition date measured as per the previous GAAP and use that carrying value as it's deemed cost as of the transition date.

**1.22 RECENT ACCOUNTING PRONOUNCEMENTS**

The proceedings in this connection are pending before the Estate officer. The Contingent liability in respect of damages, interest claimed by the Insurance Company cannot be quantified.		

## 4.03 Employee benefits

1) **Defined Contribution Plans:**

The amounts of contribution to provident fund and ESIC recognized as expenses during the year is Rs. 44.71 Lakhs (March 31, 2024 : Rs.40.41 Lakhs) for the year ended March 31, 2025.

2) **Defined Benefit Plans:**

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees, as governed by the Payment of Gratuity Act, 1972 (Gratuity Act). The gratuity plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount equivalent to 15 days' salary for each completed year of service. Vesting occurs upon completion of Five (5) continuous years of service as governed by the Gratuity Act. The Present value of the defined benefit obligations and related current service cost were measured using the Projected Unit Credit Method, with actuarial valuation being carried out at each Balance Sheet date.

The Gratuity Plan is administered by "Polychem Limited Employees Group Gratuity Scheme" & "Life Insurance Corporation of India" that is legally separated from the Company.

The company expect to pay Rs. 40,28,120 in contributions to defined benefit plans in financial year 2025-26.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**

(Rs. in Lakhs unless otherwise stated)

The Group sponsors funded defined benefit plans for qualifying employee. The defined benefit plans are administered by separate fund that are legally separate fund from the entity. The board of the fund is responsible for the investment policy with regard to assets of the fund.

These plans typically expose the Group to Actuarial risks such as : investment risk, interest rate risk, longevity risk and salary risk. No other post-retirement benefit are provided to the employees.

Investment Risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to government bond yields. If the return on plan asset is below this rate, it will create a plan deficit. Currently the plan has investment with LIC of India.
Interest Risk	A decrease in the interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.
Longevity Risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary Risk	The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

**4.06 Capital Management****Risk management**

The Group's primary objectives in managing capital are to safeguard its ability to continue as a going concern while maximising shareholder value through an optimal capital structure. Capital is actively monitored and comprises total equity, including share capital, reserves and non-controlling interests. The Group maintains a conservative capital structure with minimal debt exposure, currently limited only to lease liabilities under Ind AS 116.

For the purpose of the Group's capital management, capital includes capital and all other equity reserves. In order to maintain or achieve a capital structure that maximizes the shareholder value, the Group allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans. As at March 31, 2025, the Group has only one class of equity shares and has no borrowings other than lease liabilities. Hence, there are no externally imposed capital requirements.

The table below presents the key components of the Group's capital structure:

Component	As at March 31,	
	2025	2024
Total Equity	4,959.76	4,525.70
Lease Liabilities	142.21	163.48
Net Debt/Equity Ratio	0.03	0.04

The Group maintains a strong equity base with a negligible debt component, reflected in the low net debt-to-equity ratio of 0.03 as on March 31, 2025 (as on March 31, 2024: 0.04).

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**

(Rs. in Lakhs unless otherwise stated)

**Dividend Distribution:**

The Group's dividend policy balances shareholder returns with the need to retain earnings for business growth. The following dividends were declared during the reporting periods:

Particulars	As at March 31,	
	2025	2024
Dividends Paid	121.21	80.81
Proposed Dividend*	80.81	121.21

\*Pending shareholder approval at the forthcoming Annual General Meeting

The Board has recommended a dividend of ₹20 per share (200% of face value of Rs. 10/- each) for FY 2024-25 (2023-24: ₹30 per share or 300% of face value of Rs. 10/- each). Dividend declarations consider factors including profitability, retained earnings, liquidity position and future capital requirements.

The Group's capital management approach ensures compliance with statutory requirements while maintaining sufficient resources to support ongoing operations and strategic initiatives. Regular reviews are conducted to assess the adequacy and efficiency of the capital structure in light of changing business needs and market conditions.

**4.07 Financial Instruments**
**(i) Methods & assumptions used to estimate the fair values**

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- The carrying amounts of receivables and payables which are short term in nature such as trade receivables, other bank balances, deposits, loans to employees, trade payables, other financial liabilities and cash and cash equivalents are considered to be the same as their fair values.
- The fair values for long term security deposits given and remaining non current financial assets were calculated based on cash flows discounted using a current rate at 9%. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs.
- For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

**(ii) Categories of financial instruments**

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: directly or indirectly observable market inputs, other than Level 1 inputs; and

**4.08 Financial Risk Management**

The Group's financial risk management is an integral part of how to plan and execute its business strategies. The Group's financial risk management policy is set by the Board of Directors. The details of different types of risk and management policy to address these risks are listed below:

The Group's activities are exposed to various risks viz. Credit risk, Liquidity risk and Market risk. In order to minimize any adverse effects on the financial performance of the Group, it uses various instruments and follows policies set up by the Board of Directors / Management.

**(i) Credit Risk**

Credit risk arises from the possibility that counter party will cause financial loss to the Group by failing to discharge its obligation as agreed.

Credit risks from balances with banks are managed in accordance with the Group policy. For derivative and financial instruments, the Group attempts to limit the credit risk by only dealing with reputable banks having high credit-ratings assigned by credit-rating agencies.

Based on the industry practices and business environment in which the Group operates, management considers that the trade receivables are in default if the payment are more than 12 months past due.

(ii) **Liquidity Risk**

Liquidity risk is risk that the Group will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Group's principal sources of liquidity are cash and cash equivalents, borrowings and the cash flow that is generated from operations. The Group has consistently generated sufficient cash flows from its operations and believes that these cash flows along with its current cash and cash equivalents and funding arrangements are sufficient to meet its financial obligations as and when they fall due. Accordingly, liquidity risk is perceived to be low.

(iii) **Market Risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Group is exposed in the ordinary course of business to risks related to changes in foreign currency exchange rate and interest rate.

**Market Risk – Foreign Exchange**

Foreign currency risk is that risk in which the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Group operates internationally and a portion of its business is transacted in several currencies and therefore the Group is exposed to foreign exchange risk through its overseas sales in various foreign currencies. The Group hedges the receivables by forming view after discussion with Forex Consultant and as per policies set by Management.

The carrying amount of the Group's foreign currency denominated monetary assets and liabilities as at the end of the reporting period is as follows:

### Share capital and variation of rights

Shares under control of Board	3.	Subject to the provisions of the Act and these Articles, shares in the capital of the Company shall be under the control of the Board who may issue, allot or otherwise dispose of same or any of them to such persons, in such proportion and on such terms and conditions and either at a premium or at par and at such time as they may from time to time think fit.
Directors may allot shares otherwise than for cash	4.	Subject to the provisions of the Act and these Articles, the Board may issue and allot shares in the capital of the Company on payment or part payment for any property or assets of any kind whatsoever sold or transferred to the Company or machinery supplied or for services rendered to the Company in the conduct of its business and any shares which may be allotted may be issued as fully paid-up or partly paid-up or otherwise than for cash, and if so issued, shall be deemed to be fully paid-up or partly paid-up shares, as the case may be.
Kinds of Share Capital	5.	<p>The Company may issue the following kinds of share capital in accordance with these Articles, the Act, the Rules and applicable laws:</p> <p>(a) Equity share capital:</p> <p>(i) with voting rights; and / or</p> <p>(ii) with differential rights as to dividend, voting or otherwise in accordance with the Rules; and</p> <p>(b) Preference share capital.</p>

Issue of certificate	6.	(1) Every person whose name is entered as a member in the register of members shall be entitled to receive within two months after allotment or within one month from the date of receipt by the Company of the application for the registration of transfer or transmission or within such other period as the conditions of issue shall provide-  a) one certificate for all his shares without payment of any charges. b) several certificates, each for one or more of his shares, upon payment of such charges as may be fixed by the Board for each certificate after the first.
Certificate to bear Seal	(2)	Every certificate shall be under the seal and shall specify the shares to which it relates and the amount paid-up thereon.
One certificate for shares held jointly	(3)	In respect of any share or shares held jointly by several persons, the Company shall not be bound to issue more than one certificate and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all such holders.
Option to receive share certificate or hold shares with depository	7.	A person subscribing to shares offered by the Company shall have the option either to receive certificates for such shares or hold the shares in a dematerialised state with a depository. Where a person opts to hold any share with the depository, the Company shall intimate such depository the details of allotment of the share to enable the depository to enter in its records the name of such person as the beneficial owner of that share.
Issue of new certificate in place of one defaced, lost or destroyed	8.	If any share certificate be worn out, defaced, mutilated or torn or if there be no further space on the back for endorsement of transfer, then upon production and surrender thereof to the Company, a new certificate may be issued in lieu thereof, and if any certificate is lost or destroyed then upon proof thereof to the satisfaction of the Company and on execution of such indemnity as the Board deems adequate, a new certificate in lieu thereof shall be given. Every certificate under this Article shall be issued on payment of fees for each certificate as may be fixed by the Board.
Provisions as to issue of certificates to apply <i>mutatis mutandis</i> to debentures, etc.	9.	The provisions of the foregoing Articles relating to issue of certificates shall <i>mutatis mutandis</i> apply to issue of certificates for any other securities including debentures (except where the Act otherwise requires) of the Company.
Power to pay commission in connection with securities issued	10.	(1) The Company may exercise the powers of paying commissions conferred by the Act, to any person in connection with the subscription to its securities, provided that the rate per cent or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by the Act and the Rules.
Rate of commission in accordance with Rules	(2)	The rate or amount of the commission shall not exceed the rate or amount prescribed in the Act.
Mode of payment of commission	(3)	The commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in the one way and partly in the other.
Variation of members' rights	11.	(1) If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, subject to the provisions of the Act, and whether or not the Company is being wound up, be varied with the consent in writing, of such number of the holders of the issued shares of that class, or with the sanction of a resolution passed at a

			separate meeting of the holders of the shares of that class as prescribed by the Act.
Provisions as to general meetings to apply <i>mutatis mutandis</i> to each meeting		(2)	To every such separate meeting, the provisions of the Articles relating to general meetings shall <i>mutatis mutandis</i> apply.
Issue of further shares not to affect rights of existing members	12.		The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking <i>pari passu</i> therewith.
Power to issue redeemable preference shares	13.		Subject to the provisions of the Act, the Board shall have the power to issue or re-issue preference shares of one or more classes which are liable to be redeemed or converted to equity shares, on such terms and conditions and in such manner as determined by the Board in accordance with the Act.
Further issue of share capital	14.	(1)	The Board or the Company, as the case may be, may, in accordance with the Act and the Rules, issue further shares to- <ol style="list-style-type: none"> <li>persons who, at the date of offer, are holders of equity shares of the Company; such offer shall be deemed to include a right exercisable by the person concerned to renounce the shares offered to him or any of them in favour of any other person; or</li> <li>employees under any scheme of employees' stock option or</li> <li>any persons, whether or not those persons include the persons referred to in clause (a) or clause (b) above.</li> </ol>
Mode of further issue of shares		(2)	A further issue of shares may be made in any manner whatsoever as the Board may determine including by way of preferential offer or private placement, subject to and in accordance with the Act and the Rules.
<b>Lien</b>			
Company's lien on Shares	15.	(1)	The Company shall have a first and paramount lien: - <ol style="list-style-type: none"> <li>on every share (not being a fully paid share), for all monies (whether presently payable or not) called, or payable at a fixed time, in respect of that share; and</li> <li>on all shares (not being fully paid shares) standing registered in the name of a member, for all monies presently payable by him or his estate to the Company;</li> </ol> provided that the Board may at any time declare any share to be wholly or in part exempt from the provisions of this clause.
Lien to extend to dividends, etc.		(2)	The Company's lien, if any, on a share shall extend to dividends or interest, as the case may be, payable or bonuses declared from time to time in respect of such share for any money owing to the Company.
Waiver of lien in case of registration		(3)	Unless otherwise agreed by the Board, the registration or transfer of shares shall operate as a waiver of the Company's lien.
As to enforcing lien by sale	16.		The Company may sell, in such manner as the Board think fit, any shares on which the Company has a lien: <p style="text-align: center;">provided that no sale shall be made:</p>

			<p>a) unless a sum in respect of which the lien exists is presently payable; or</p> <p>b) until the expiration of fourteen days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or to the person entitled thereto by reason of his death or insolvency or otherwise</p>
Validity of sale	17.	(1)	To give effect to any such sale, the Board may authorise some person to transfer the shares sold to the purchaser thereof
Purchaser to be registered holder		(2)	The purchaser shall be registered as the holder of the shares comprised in any such transfer.
Validity of Company's receipt		(3)	The receipt of the Company for the consideration (if any) given for the share on the sale thereof shall (subject, if necessary, to execution of an instrument of transfer or a transfer by relevant system, as the case may be) constitute a good title to the share and the purchaser shall be registered as the holder of the share
Purchaser not affected		(4)	The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings with reference to the sale.
Application of proceeds of sale	18.	(1)	The proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable.
Payment of residual money			The residue, if any, shall, subject to a like lien for sums not presently payable as existed upon the shares before the sale, be paid to the person entitled to the shares at the date of the sale.
Outsider's lien not to affect Company's lien	19.		In exercising its lien, the Company shall be entitled to treat the registered holder of any share as the absolute owner thereof and accordingly shall not (except as ordered by a court of competent jurisdiction or unless required by any statute) be bound to recognise any equitable or other claim to or interest in, such share on the part of any other person, whether a creditor of the registered holder or otherwise. The Company's lien shall prevail notwithstanding that it has received notice of any such claim.
Provisions as to lien to apply <i>mutatis mutandis</i> to debentures, etc.	20.		The provisions of these Articles relating to lien shall <i>mutatis mutandis</i> apply to any other securities including debentures of the Company.
<b>Calls on shares</b>			
Board may make Calls	21.	(1)	The Board may, from time to time, make calls upon the members in respect of any monies unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times.
Notice of call		(2)	Each member shall, subject to receiving at least fourteen days' notice specifying the time or times and place of payment, pay to the Company, at the time or times and place so specified, the amount called on his shares.
Board may extend time for payment		(3)	The Board may, from time to time, at its discretion, extend the time fixed for the payment of any call in respect of one or more members as the Board may deem appropriate in any circumstances.

Revocation or postponement of call		(4)	A call may be revoked or postponed at the discretion of the Board.
Call to take effect from date of resolution	22		A call shall be deemed to have been made at the time of the resolution of the Board authorising the call was passed, and may be required to be paid by instalments.
Liability of joint holders of shares	23		The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.
When interest on call or instalment payable	24	(1)	If a sum called in respect of a share is not paid before or on the day appointed for payment thereof (the "due date"), the person from whom the sum is due shall pay interest thereon from the due date to the time of actual payment at such rate as may be fixed by the Board.
Board may waive interest		(2)	The Board shall be at liberty to waive payment of any such interest wholly or in part.
Sums deemed to be calls	25	(1)	Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall for the purposes of these Articles, be deemed to be a call made and payable on the date on which by the terms of issue such sum becomes payable.
Effect of non-payment of sums		(2)	In case of non-payment of such sum, all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.
Payment in anticipation of calls may carry interest	26		The Board - a) may, if it thinks fit, receive from any member willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares held by him; and b) upon all or any of the monies so advanced, may (until the same would, but for such advance, become presently payable) pay interest at such rate as may be fixed by the Board. Nothing contained in this clause shall confer on the member (a) any right to participate in profits or dividends or (b) any voting rights in respect of the monies so paid by him until the same would, but for such payment, become presently payable by him.
Instalments on shares to be duly paid	27		If by the conditions of allotment of any shares, the whole or part of the amount of issue price thereof shall be payable by instalments, then every such instalment shall, when due, be paid to the Company by the person who, for the time being, is or shall be the registered holder of the share or the legal representative of a deceased registered holder.
Calls on shares of same class to be on uniform basis	28		All calls shall be made on a uniform basis on all shares falling under the same class. <i>Explanation:</i> Shares of the same nominal value on which different amounts have been paid-up shall not be deemed to fall under the same class.
Partial payment not to preclude forfeiture	29		Neither a judgment nor a decree in favour of the Company for calls or other moneys due in respect of any shares nor any payment or satisfaction thereof nor the receipt by the Company of a portion of any money which shall from time to time be paid from any member in respect of any shares either by way of principal or interest nor any indulgence granted by the Company in respect of payment of any such money shall preclude the forfeiture of such shares as herein provided.

- Provisions as to calls to apply *mutatis mutandis* to debentures, etc. 30. The provisions of these Articles relating to calls shall *mutatis mutandis* apply to any other securities including debentures of the Company.

#### Transfer of shares

- Instrument of transfer to be executed by transferor and transferee 31. (1) The instrument of transfer of any share in the Company shall be duly executed by or on behalf of both the transferor and transferee.  
(2) The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.

- Board may refuse to register transfer 32. The Board may, subject to the right of appeal conferred by the Act decline to register –

- a) the transfer of a share, not being a fully paid share, to a person of whom they do not approve, or
- b) any transfer of shares on which the Company has a lien.

- Board may decline to recognise instrument of transfer 33. In case of shares held in physical form, the Board may decline to recognise any instrument of transfer unless –
- a) the instrument of transfer is duly executed and is in the form as prescribed in the Rules made under the Act;
  - b) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and
  - c) the instrument of transfer is in respect of only one class of shares.

- Transfer of shares when suspended 34. On giving of previous notice of at least seven days or such lesser period in accordance with the Act and Rules made thereunder, the registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine.

Provided that such registration shall not be suspended for more than thirty days at any one time or for more than fortyfive days in the aggregate in any year.

- Provisions as to transfer of shares to apply *mutatis mutandis* to debentures, etc 35. The provisions of these Articles relating to transfer of shares shall *mutatis mutandis* apply to any other securities including debentures of the Company.

#### Transmission of shares

- Title to shares on death of a member 36. (1) On the death of a member, the survivor or survivors where the member was a joint holder, and his nominee or nominees or legal representatives where he was a sole holder, shall be the only persons recognised by the Company as having any title to his interest in the shares.

- Estate of deceased member liable (2) Nothing in clause (1) shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other persons.

Transmission Clause	37.	(1) Any person becoming entitled to a share in consequence of the death or insolvency of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect either <ul style="list-style-type: none"> <li>a) to be registered himself as holder of the share, or</li> <li>b) to make such transfer of the share as the deceased or insolvent member could have made</li> </ul>
Board's right unaffected	(2)	The Board shall, in either case, have the same right to demand or suspend registration as it would have had, if the deceased or insolvent member had transferred the share before his death or insolvency
Indemnity to the Company	(3)	The Company shall be fully indemnified by such person for all liability, if any, by actions taken by the Board to give effect to such registration or transfer.
Right to election of holder of share	38.	(1) If the person so becoming entitled shall elect to be registered as holder of the share himself, he shall deliver or send to the Company a notice in writing signed by him stating that he elects <ul style="list-style-type: none"> <li>(2) If the person aforesaid shall elect to transfer the share, he shall testify his election by executing a transfer of the share.</li> <li>(3) All the limitations, restrictions and provisions of the regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice of transfer as aforesaid as if the death or insolvency of the member had not occurred and the notice or transfer were a transfer signed by that member.</li> </ul>
Manner of testifying election		
Limitations applicable to notice		
Claimant to be entitled to same advantage	39.	A person becoming entitled to a share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company.
		Provided that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days, the Board may thereafter withhold payment of dividends, bonuses or other monies payable in respect of the share, until the requirements of the notice have been complied with.
Provisions as to transmission to apply <i>mutatis mutandis</i> to debentures, etc.	40.	The provisions of these Articles relating to transmission and operation of law shall <i>mutatis mutandis</i> apply to any securities including debentures of the Company.

### Forfeiture of shares

If call or instalment not paid notice must be given	41.	If a member fails to pay any call, or instalment of a call or money due in respect of any share, on the day appointed for payment thereof, the Board may, at any time thereafter, and at such time as any part of the call or instalment remains unpaid or a judgement or decree in respect thereof is unsatisfied in whole or in part, serve a notice on him requiring payment of so much of the call or instalment or other money as is unpaid, together with any interest which may have accrued and all expenses that may have been incurred by the Company by reason of non-payment.
---	-----	---

Form of notice	42.	<p>The notice aforesaid shall:</p> <p>a) name a further day (not being earlier than the expiry of fourteen days from the date of service of the notice) on or before which the payment required by the notice is to be made; and</p> <p>b) state that, in the event of non-payment on or before the day so named, the shares in respect of which the call was made shall be liable to be forfeited.</p>
In default of payment of shares to be forfeited	43.	If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect.
Receipt of part amount or grant of indulgence not to affect forfeiture	44.	Neither the receipt by the Company for a portion of any money which may from time to time be due from any member in respect of his shares, nor any indulgence that may be granted by the Company in respect of payment of any such money, shall preclude the Company from thereafter proceeding to enforce a forfeiture in respect of such shares as herein provided. Such forfeiture shall include all dividends declared or any other moneys payable in respect of the forfeited shares and not actually paid before the forfeiture.
Entry of forfeiture in register of members	45.	When any share shall have been so forfeited, notice of the forfeiture shall be given to the defaulting member and an entry of the forfeiture with the date thereof, shall forthwith be made in the register of members but no forfeiture shall be invalidated by any omission or neglect or any failure to give such notice or make such entry as aforesaid.
Effect of forfeiture	46.	The forfeiture of a share shall involve extinction at the time of forfeiture, of all interest in and all claims and demands against the Company, in respect of the share and all other rights incidental to the share.
Forfeited shares may be sold, etc.	47.	(1) A forfeited share shall be deemed to be the property of the Company and may be sold or re-allotted or otherwise disposed of either to the person who was before such forfeiture the holder thereof or entitled thereto or to any other person on such terms and in such manner as the Board thinks fit.
Cancellation of Forfeiture	(2)	At any time before a sale, re-allotment or disposal as aforesaid, the Board may cancel the forfeiture on such terms as it thinks fit.
Members still liable to pay money owing at the time of forfeiture	48.	<p>(1) A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay, and shall pay, to the Company all monies which, at the date of forfeiture, were presently payable by him to the Company in respect of the shares.</p> <p>(2) All such monies payable shall be paid together with interest thereon at such rate as the Board may determine, from the time of forfeiture until payment or realisation. The Board may, if it thinks fit, but without being under any obligation to do so, enforce the payment of the whole or any portion of the monies due, without any allowance for the value of the shares at the time of forfeiture or waive payment in whole or in part.</p> <p>(3) The liability of such person shall cease if and when the Company shall have received payment in full of all such monies in respect of the shares.</p>
Cessation of liability		

Certificate of forfeiture	49.	(1) A duly verified declaration in writing that the declarer is a director, the manager or the secretary of the Company and that a share in the Company has been duly forfeited on a sale as stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share.
Title of purchaser and transferee of forfeited shares		(2) The Company may receive the consideration, if any, given for the share on any sale, re-allotment or disposal thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of.
Transferee to be registered as holder		(3) The transferee shall thereupon be registered as the holder of the share, and
Transferee not affected		(4) The transferee shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale, re-allotment or disposal of the share.
Validity of sales	50.	Upon any sale after forfeiture or for enforcing a lien in exercise of the powers hereinabove given, the Board may, if necessary, appoint some person to execute an instrument for transfer of the shares sold and cause the purchaser's name to be entered in the register of members in respect of the shares sold and after his name has been entered in the register of members, in respect of such shares the validity of the sale shall not be impeached by any person.
Cancellation of share certificate in respect of forfeited shares	51.	Upon any sale, re-allotment or other disposal under the provisions of the preceding Articles, the certificate(s), if any, originally issued in respect of the relative shares shall (unless the same shall on demand by the Company has been previously surrendered to it by the defaulting member) be cancelled and become null and void and be of no effect and the Board shall be entitled to issue a duplicate certificate(s) in respect of the said shares to the person(s) entitled thereto.
Surrender of share certificates	52.	The Board may, subject to the provisions of the Act, accept the surrender of any share from or by any member desiring to surrender them on such terms as they think fit.
Sums deemed to be calls	53.	The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.
Provisions as to forfeiture of shares to apply <i>mutatis mutandis</i> to debentures, etc.	54.	The provisions of these Articles relating to forfeiture of shares shall <i>mutatis mutandis</i> apply to any other securities issued by the Company.

#### Alteration of capital

Power to alter share capital	55.	Subject to the provisions of the Act, the Company may, by ordinary resolution- <ol style="list-style-type: none"> <li>increase the share capital by such sum, to be divided into shares of such amount as it thinks expedient,</li> <li>consolidate and divide all or any of its share capital into shares of larger amount than its existing shares</li> </ol> Provided that any consolidation and division which results in changes in the voting percentage of members shall not
------------------------------	-----	---

applicable approvals under the Act.

- c) convert all or any of its fully paid-up shares into stock, and reconvert that stock into fully paid-up shares of any denomination,
- d) sub-divide its existing shares or any of them into shares of smaller amount than is fixed by the memorandum,
- e) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person

Shares may be converted into stock 56.

Where shares are converted into stock:

- a) the holders of stock may transfer the same or any part thereof in the same manner as, and subject to the same Articles under which, the shares from which the stock arose might before the conversion have been transferred, or as near thereto as circumstances admit. Provided that the Board may, from time to time, fix the minimum amount of stock transferable, so, however, that such minimum shall not exceed the nominal amount of the shares from which the stock arose,
- b) the holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the Company, and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except participation in the dividends and profits of the Company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage;
- c) such of these Articles of the Company as are applicable to paid-up shares shall apply to stock and the words "share" and "shareholder" / "member" shall include "stock" and "stock-holder" respectively.

#### Right of Stockholders

Reduction of capital 57.

The Company may, by resolution as prescribed by the Act, reduce in any manner and in accordance with the provisions of the Act and the Rules, —

- a) its share capital, and/or
- b) any capital redemption reserve account; and/or
- c) any securities premium account; and/or
- d) any other reserve in the nature of share capital.

#### Joint Holders

Joint-holders 58.

Where two or more persons are registered as joint holders (not more than three) of any share, they shall be deemed (so far as the Company is concerned) to hold the same as joint tenants with benefits of survivorship, subject to the following and other provisions contained in these Articles:

#### Liability of Joint-holders

- a) The joint-holders of any share shall be liable severally as well as jointly for and in respect of all calls or instalments and other payments which ought to be made in respect of such share.

#### Death of one or more joint-holders

- b) On the death of any one or more of such joint-holders, the survivor or survivors shall be the only person or persons recognized by the Company as having any title to the share but the Directors may require such evidence of death as they may deem fit, and nothing herein contained shall be taken to release the estate of a deceased joint-holder from any liability on shares held by him jointly with

Receipt of one Sufficient	any other person.
Delivery of certificate and giving of notice to first named holder	c) Any one of such joint holders may give effectual receipt of any dividends, interests or other moneys payable in respect of such share.
Vote of joint holders	d) Only the person whose name stands first in the register of members as one of the joint-holders of any share shall be entitled to the delivery of certificate, if any, relating to such share or to receive notice (which term shall be deemed to include all relevant documents) and any notice so delivered or sent to such person shall be deemed service on all joint-holders.
Executors or administrators as joint holders	e) (i) Any one of two or more joint-holders may vote at any meeting either personally or by attorney or by proxy in respect of such shares as if he were solely entitled to them and if more than one of such joint holders be present at any meeting personally or by proxy or by attorney, then that one of such persons so present whose name stands first or higher (as the case may be) on the register in respect of such shares shall alone be entitled to vote in respect thereof.
